

ATLP CHILDREN'S UNIVERSITY NEWSLETTER

**SUMMER 1
2024**

#ATLPCU

This activity pack has been designed to help you to develop a variety of skills and interests. Our hope is that you will feel inspired to continue to learn from all the activities you participate in as part of Children's University.

Complete the range of activities over half term to gain up to 8 extra Children's University hours! The activities can be completed in any order, and at least one of them may require adult supervision.

Record evidence of your learning for each task - this could be a photo or reflection report on the activity/activities you completed. Don't forget to log your hours on your 'Passport to Learning'!

If you have any questions or need any further support, please get in touch with us at CU@ATLP.org.uk

CIRCUS SKILLS

World Circus Day is the 17th April. Research a circus skill (such as juggling, swinging or balancing) and see how good you can get in one hour. Record yourself performing your skill - check it's safe with an adult first.

1 HOUR

There are 10 Owlberts hidden on the newsletter. See if you can spot them all!

DANGEROUS DINOSAURS

Research your favourite dinosaur and record what you have learned in any way you choose. It could be a picture, a fact file, or even a video!

1 HOUR

OUTDOOR EXPLORERS

Now the weather is getting warmer, get out and take a nature walk in your local area. Take photos of all the different plants and creatures you see along the way!

2 HOURS

FACT FINDER

It's Hedgehog Awareness Week in May. Find 5 interesting facts about hedgehogs.

1 HOUR

THANK YOU DAY

Some people regularly help you and never expect a word of thanks. How lovely would it be to say thank you to someone who gives up their time to help you. It might be a school cook, the crossing warden, your brownie/cub leader or even a parent! Make a small token of thanks (e.g. a card or a painted stone) and present it to them.

1 HOUR

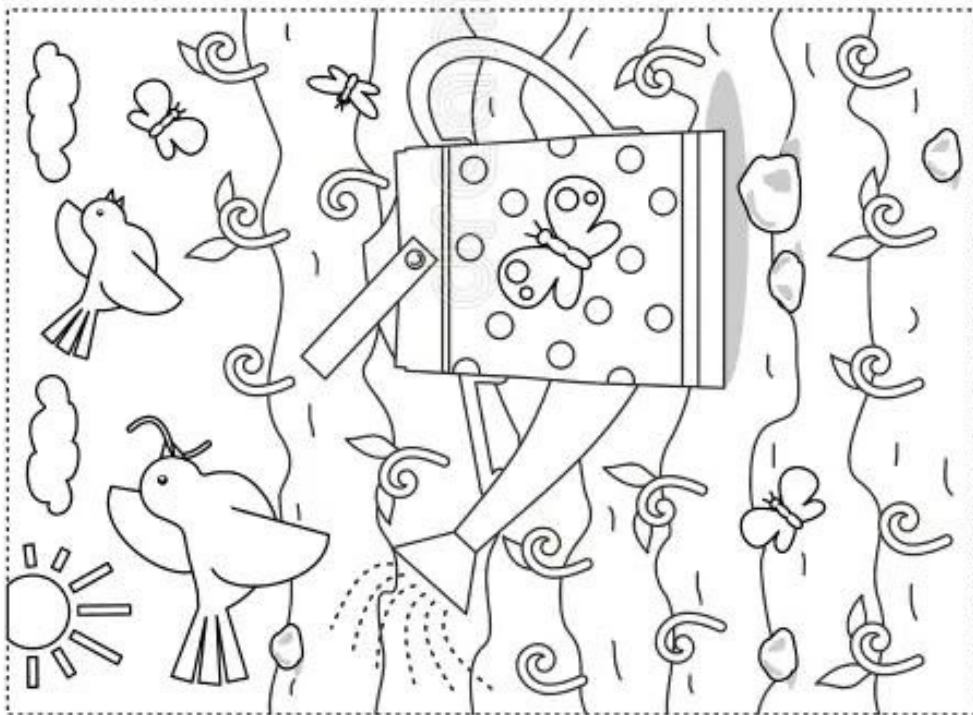

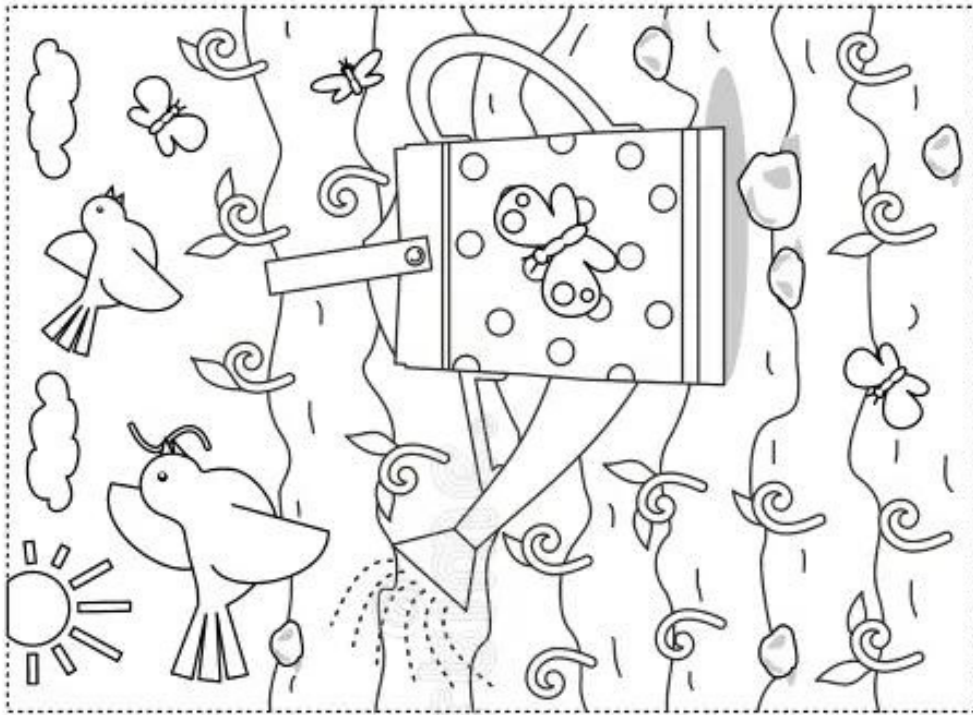

SPOT THE DIFFERENCE

1 HOUR

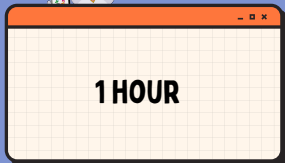

Can you find all 10 differences in these spring pictures?

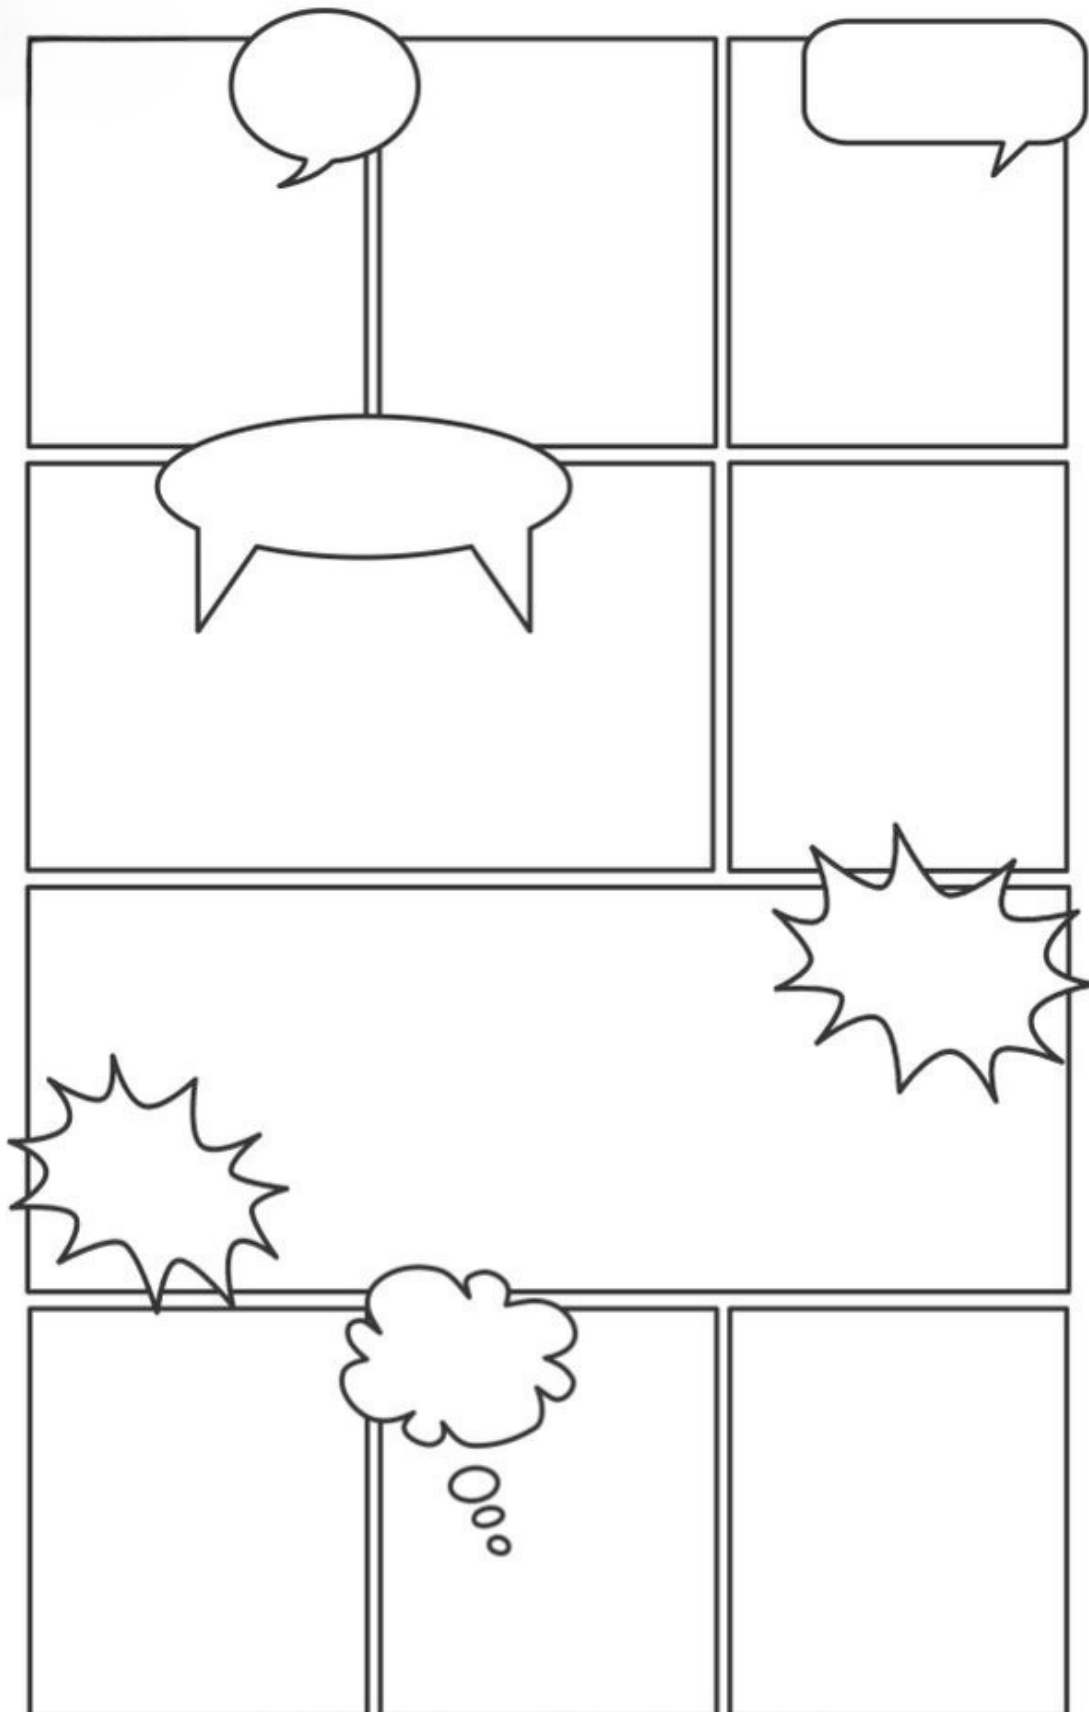

Find 10 differences.

DESIGN YOUR OWN COMIC BOOK

Use the template below to design your own comic story!

HOW TO EARN REWARDS

Once you have completed an activity from the newsletter, upload evidence on to Showbie.

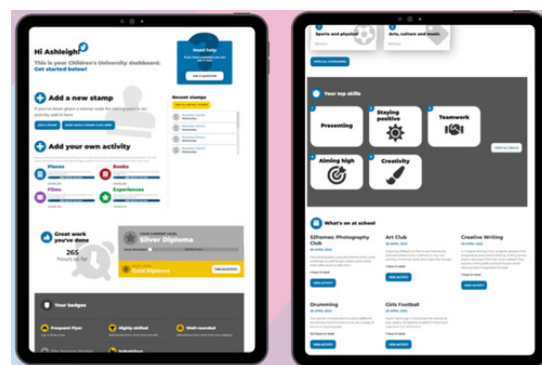

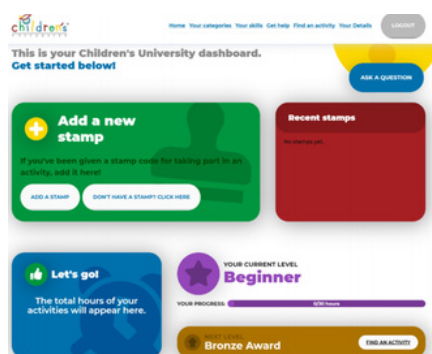

You can take a picture of you completing the activity or a picture of your finished product.

Your teacher will then provide you with a stamp code to upload on to your Passport to Learning.

Accessing your 'Passport to Learning':

- Go to www.childrensuniversity.co.uk
- Click on 'Login' – found in the top right of the page
- Select 'login as a child'
- Enter the username and password that your coordinator provided
- When you first log in, you will be asked to reset your password – which must be a minimum of 8 letters, and contain a capital letter, a lower-case letter and a number.

Once you have logged in, this is an outline of what your passport looks like:

To log your hours:

- Get the stamp code from the teacher running the club
- Once you have completed your activity and got your code, click 'add a stamp'
- Select the code colour
- Type in the code number (e.g. BLUE3412) and press enter

A screenshot of the 'Add a stamp' form. It has two sections: 'Choose a Colour' with a grid of color buttons (RED, ORANGE, YELLOW, GREEN, BLUE, PURPLE) and 'Enter Number' with a numeric keypad. Below the keypad is a 'colour' field with four empty boxes and an 'Add Stamp' button.
