

15th January 2021

Dear Parents and Carers,

As you are aware, we work with Aston Villa in school to provide physical education and enrichment opportunities.

We are delighted to be able to share with you the start of their Home Advantage: Home Learning Programme launching next week!

Please see their weekly timetable below, detailing all of the live virtual lessons to support with Home Learning. The lessons require online registration from parents/carers for their children to gain access to their virtual classrooms. This will help to add a new dimension and possibility to the remote learning for our children.

Please note - the classrooms will have a capacity on numbers.

Or alternatively please use the Foundation's tweet to find out more about the opportunity: <https://twitter.com/AVFCFoundation/status/1349693547130327040?s=20>
