

May 2021

Dear Parents/Carers

You may have heard announcements about the Multiplication Times Table Check coming in for year 4 children. Here's what you need to know:

1. They will be done within a three-week-long window starting 7th June.
2. The checks consist of 25 questions. The questions will be multiplication and division facts and they will go up to 12×12 .
3. Please be supportive of our approach in teacher-parent communication channels. It's important that we get behind the checks for the benefit of all our children.

Times Tables Rockstars is a great resource for the children to learn their times tables in a fun, engaging way. The children have been using 'sound check' on TT rockstars, please encourage your children to use this as much as possible at home. Please be supportive and encouraging with your children and if they are having any worries, do let us know.

If you have a question or want to offer your thoughts on any of the above, please bring them to your child's teacher.

Yours sincerely,

Miss Evans
Maths Lead
