

**Date commencing: 29<sup>th</sup> June 2020**

Good morning reception children and parents,

This week's work has a different theme for each day.

You can show Mrs Fortey and Mrs Hussain some of this work during your

Zoom sessions with them this week.

Take care and look after yourselves.

Love from,

Miss Halsey, Mrs Fortey, Mrs Lax and Mrs Hussain x

**Monday**

**Theme: monsters**

### **Activity One:**

Look at the pictures of monsters below. Talk to someone at home about what you can see. Describe each monster. Try and speak in full sentences e.g. the monster has red hair and blue teeth. Discuss which is your favourite monster and why.

### **Activity two:**

Make your own monster.

You could draw one, paint one or make one using recycled objects e.g. egg boxes, bottle tops, wrappers etc.

We can't wait to see your monster!

### **Activity three**

Now write about your monster. Try and write a couple of sentences describing your monster.

.....  
.....

.....  
.....

.....  
.....

.....  
.....

.....  
.....

**Activity four**

Cut out the shapes below to make your own monster. Talk to someone at home about what shapes you have used. If you can, try and label the shapes.

I  
I

### **Activity one**

We are going to do some adding. Ask someone at home to read the questions to you. You can draw pictures, use objects, use your fingers or count in your head to work out the answers.

1. There are 4 cats and 3 dogs. How many animals are there altogether?
  
  
  
  
  
  
  
  
  
  
2. Mrs Fortey has 5 fish and Miss Halsey has 5 fish. How many fish are there in total?
  
  
  
  
  
  
  
  
  
  
3. At the farm, there are 8 pigs and 5 horses. How many animals are there altogether?
  
  
  
  
  
  
  
  
  
  
4. In the zoo, there are 9 lions and 3 tigers. How many animals are there in total?

### **Activity two**

Look at the dog above and have a go at labelling different parts of the dog. E.g. brown tail. If you are finding this tricky, write the first sound of each part of the body e.g. t for tail.

### **Activity three**

If we have a pet, it is important we look after them carefully. Talk to someone at home about what you would need to do to look after a pet. Think about what you would feed them, where they would sleep, toys they would have, where they would go if they were ill. Draw pictures in the boxes below of all the things you would need to do to look after your pet.

## Activity four

If you have a pet, draw a picture of it below and write a sentence about it. If you don't have a pet, draw your favourite animal and write a sentence about it.

## Wednesday

### Theme – healthy eating

## Activity one

Count and write down how many pieces of fruit there are in each picture.

**Now answer the following questions about the fruit.**

1. How many apples and pears are there altogether?
2. How many bananas and pears are there in total?

### **Activity two**

To make sure we are healthy, we need to eat healthy foods and do lots of exercise. On the plate below, draw your favourite healthy meal.

### **Activity three**

There are lots of fun ways to exercise.  
Match the picture with the word.

Hop

Jump

Skip

twinkl.com

Run

### **Activity four**

It is now time for you to do some exercise!

Ask someone at home to do some exercise with you.

You could:

- Go for a walk
- Go for a run
- Star jumps
- Run on the spot
- Stretches
- Hopping
- Skipping
- Jumping

Take a picture of the exercise you do so you can show your friends on zoom/when we are back at school.

Have fun!

**Thursday**

**Theme – superheroes**

**Activity one**

Look at the superheroes below. Talk to someone at home about which is your favourite and why.

**Activity two**

If you could be a superhero, what powers would you have? Draw a picture in the box below of what you would look like and the powers you would have. Have a go at labelling it.

Now it's your turn to be a superhero at doubling!

Draw pictures to work out the answers to the following questions.

Look at the example below.

Double 3 = 6

Double 4 =

Double 5 =

Double 6 =

Double 2 =

**Activity four**

Write a sentence below each superhero to describe them.

.....  
.....

.....  
.....

.....  
.....

.....  
.....

**Friday**

## **Theme – party!**

### **Activity one**

We have parties to celebrate many different occasions. You could have a party today to celebrate it being Friday and you having worked hard all week. Using the space below, design an invitation for a party that you can have later today.

Remember to include:

- The name of the person you are inviting (e.g. mummy/daddy/brothers/sisters/teddies etc)
- The time
- The place
- The dress code
- Anything you would like them to bring

### **Activity two**

At a party, we have drinks and food. Decide what drinks and food you are going to serve. This could be a glass of squash and a packet of crisps. If you are feeling creative, you could make cakes, sandwiches etc!

Draw and label pictures of the food and drink you will have at your party in the box below.

### **Activity three**

Miss Halsey and Mrs Fortey want to have a party but they have to get all their work done before they can go. They have been given some questions to answer from Mrs Maskell but they haven't got time to do them all! Please can you help them? You could draw pictures or use objects at home to answer the questions.

$$4 + 7 = \dots\dots\dots$$

$$8 + 3 = \dots\dots\dots$$

$$5 + 2 = \dots\dots\dots$$

$$9 + 3 = \dots\dots\dots$$

$$6 + 4 = \dots\dots\dots$$

Thank you for helping them!

### **Activity four**

It is party time! Play some games with people at home, dance to music, eat the drinks and food you have prepared and most importantly have a lovely time 😊
