

Keep on Squirrelling®

CONSENT FORM – Please fill out below

Opportunity for your child:

We are excited to announce your child will be participating in our fun and educational Money Management Programme between 3-7th February 2020.

Why is it important to teach children Financial Education?

Statistics show money habits are being formed at primary school age.

Our Outcomes

1. Transform Financial Education
2. Empower Children to Keep Money
3. Teach Real Life Principles

Please support our mission by following, liking and sharing what we do on our social media platforms:

Twitter: @keeponsquirrel

Facebook: keeponsquirrelling

Website: www.keeponsquirrelling.com

Teacher Testimonial:

'...Gary engaged the whole school and made them think about the importance of saving as well as spending...I believe Gary's energy and charismatic teaching style really draws the children in, making a potentially boring topic exciting! And children are already telling me how much they are saving out of their pocket money 'for a rainy day.'''

– Jo Donnellan, Head, Chivenor Primary School

Can Keep On Squirrelling have your consent please?

Keep On Squirrelling require your consent to capture pictures and videos of the students playing the game, participating in the Financial Education Programme and gaining their feedback regarding what they have learnt from the Programme to build awareness for others to see, in the safe settings provided. Footage may appear on our website, social media platforms and any other promotional purposes.

Note: If we are not given consent by the parent / guardian no pictures or video's will be published of your child.

I (parent / legal guardian) agree to the photography and videography taken of my child for the purposes set out above.
