

Learning Project- The NHS

The project for the next two weeks aims to provide opportunities for your child to learn more about our wonderful NHS. Learning may focus on the history of the NHS, significant people including local NHS workers and generally showing appreciation and support for our heroes.

#TheLearningProjects #ThankYouNHS

Red is for Love	Orange is for Energy	Yellow is for Happiness	Green is for Safety	Blue is for Appreciation?
				
<ul style="list-style-type: none"> Can you write an acrostic poem to say thank you to the NHS? You could use the words THANK YOU or GRATITUDE as a writing frame. It's important that we continue to look after one another after this. Write or record a pledge to your family or community. Make a thank you poster, record a video or write a letter of gratitude to the NHS staff. Share this online with adult help. Not all heroes wear capes. Some wear scrubs, blues or uniforms. Invent your own superhero. What qualities would they have? What would their superpower be? Draw them and send us pictures of them (remember to label it with their super powers). Make a heart to show your love for the NHS and Key Workers. This could be made from salt dough, pebbles from the garden, bread or anything else you can think of. 	<ul style="list-style-type: none"> Plan a fundraising event to raise money for the NHS. Why not share your idea with teacher when you return to school? Take part in the weekly #ClapforourNHS #ClapforourKeyWorkers to show your appreciation. Use all that extra energy to do something different at home. You could make cakes and ice them with the words 'Thank You'. Your daily exercise could be a walk close to home. Take photographs of everything that made you smile on your walk. Captain Tom has walked 100 laps of his garden to raise money for the NHS. Can you walk 100 laps of your garden? How has the NHS changed over time? What has been the impact of science and technology? Draw a 'Then and Now' picture. 	<ul style="list-style-type: none"> Rainbows are a sign of hope. Draw or paint a rainbow and display it in your window. Already have a rainbow? Get inventive and find a different way to produce this colourful symbol. You could use items from around your home, collage, handprint or you may have another idea! If you could send the NHS workers anything to make them smile, what would you send them? Draw a picture of the perfect gift. Share a smile for our Key Workers. You could take a photograph and Tweet it (with adult help), or you could get creative and make your own smile using materials from around the home. You can send your photos into school enquiry and we can tweet for you. The NHS staff show kindness and spread happiness every day. Create a Kindness Jar by writing acts of kindness and popping them into the jar. Create your very own story of joy in the role of a nurse, paramedic, doctor or other health professional. Present this in a mini story book or as a comic strip. 	<ul style="list-style-type: none"> Make a Stay at Home, Protect the NHS, Save Lives poster. Display this next to the rainbow in your window. Make a video or a jingle about the importance of handwashing. Share this online with adult help as a friendly reminder to us all. All NHS staff play a vital role in keeping us safe. Research each role and create fact files about each job. Which job would you like and why? We can help to keep ourselves and others safe. Write a set of instructions for calling 999 or giving CPR. Imagine a life without the NHS. What would it be like? Write a speech about life without the NHS. 	<ul style="list-style-type: none"> In 2018, the NHS celebrated its 70th birthday. Create a timeline that shows how the NHS was developed. Who was Florence Nightingale and why is she so important? Who was Aneurin Bevan and why is he so important? Create biographies about these significant people. Draw a portrait of Florence Nightingale. Do you know a local NHS or Key Worker? Create a biography or fact file about this important person. Create a thank you card or letter for a key worker you know. There are many NHS facilities in our communities. Identify them on a map and count how many are close by. Interview somebody who has used the NHS. This could be somebody in your household or you could call a family member. What do they want to thank our NHS for?
