

Wednesday 30<sup>th</sup> September 2020

Dear Parents/Carers,

We are very pleased to announce that we are using tapestry as our online learning journal.

Tapestry allows you to login with a secure username and password so you can view all of your children's observations, photographs and videos. You can also comment and add your own observations which will allow us to find out about what your child enjoys learning at home.

We will also be using the 'memo' feature on tapestry which will allow us to share messages with you. This feature will also replace the reading record as we will be able to communicate which home reading book your child is currently reading and comment on your child's progress. We would also like you to use this feature to comment on how well your child is reading at home.

Once we have set you up with an account you will be able to log in using the web browser from [tapestryjournal.com](http://tapestryjournal.com) or by downloading the Tapestry app from the App Store. Downloading the app will also enable you to receive live notifications of when a new observation or message has been shared with you. You will receive an activation email from which you can set your own password and login. Please ensure that we have the correct email address for you so you can take advantage of this great communication tool between home and school.

All data that is entered into tapestry is on a secure server so only you will be able to view the information about your child.

We hope you enjoy using Tapestry, if you have any questions then please do not hesitate to ask.

Yours Sincerely,

Mrs J. Evanson

---
