

All about Greece.

So, imagine you want to visit Greece as a tourist.
What kind of things could you find out about the country before you visit?

- The language
- Culture
- Food
- Religion
- History of the area
- Who is in charge of the county
- Where Greece is in relation to the rest of the world
- National dress
- Animals
- Farmers and crop growing
- Import and exports

Be as creative as possible. You may choose to do a poster, create a 3D representation of one of the areas, a guide for other tourists (The Best Bits!). Please do be as creative as you like. This is your project. Own it.
