

Parent View Results March 2017

Parent View is our online questionnaire which can be viewed by anyone. It would be used by OFSTED during an inspection to look at parents views about our school. We used our March parents evening to gain views and we now have 155 responses. I have included the National average from all schools across the country to compare our results against. You will also see a comparison to July 2016 on page 2.
